

**BLACKSTONE VALLEY
BOYS & GIRLS CLUB**
"The Positive Place for Kids"

U-10 Indoor Club Soccer Team

"The BVBGC Rangers FC"

Who is Eligible?

Boys and Girls, ages 8 and 9 years old

Our club will promote an environment that will allow for the creativity, spontaneity and experimentation that the game of soccer naturally encourages and that should be promoted at this age group. The focus of this club will be to learn advanced soccer skills in a challenging, yet fun atmosphere by emphasizing small groups, repetition and maximum ball contacts. It is our goal to set up fun situations and small-sided games where your child can learn. We will not focus on winning over individual development, as we feel that to focus on a winning result only is to stifle the long-term individual skill development of young players.

If interested, you and your child should come down to the Club
on **October 15th from 6:30pm-7:30pm** for a practice session
Try-outs will be conducted if necessary or two teams may be formed
