

BLACKSTONE VALLEY BOYS & GIRLS CLUB
"The Positive Place for Kids"

Presents

Every year at this time, the nation celebrates our organization, which has steadily and methodically saved lives and changed futures of young people for more than 100 years. Using a tried-and-true method of attracting kids with fun, wholesome activities, then involving them in a wide array of education, cultural and character-building programs, Clubs have helped millions of kids overcome barriers, dream of a brighter future and grow into responsible, productive citizens.

Members are Welcome to Help us Celebrate by attending the daily events!
